

Sprint Plan #4

Prep N' Plate

Team Description

Team Name : Prep N' Plate

Team member names : Thomas Fujimoto, Vivan Singhal, Reshma Mudaliar, Waseim Helweh, Michael Tan, Ryan Mac

Sprint Completion Date : 3/12/24

Revision Number : 1

Revision Date : 3/07/24

Goal :

Goals for this sprint are to ensure that the Survey successfully creates a Menu Page, ensure the Grocery Page functionality works, and ensure users can see recipes for the Recipe Page. Also, make sure the design of the website is cohesive.

Tasks :

User story 1: As a user interested in using Prep N' Plate, I want to be able to access grocery lists for all my dishes any time.

- Connect the backend and frontend for the Grocery Page (10 hours)
- Create tests for Grocery Page (2 hours)
- Create a cohesive design for Grocery page (1 hour)
- Connect Grocery Page to Recipe Page (3 hours)
- Incorporate a PDF generator so user can access the page without accessing the website (2 hours)

Total: 18 hours

User story 2: As a user interested in using Prep N' Plate, I want to be able to access recipe lists for all my dishes any time.

- Connect the backend and frontend for the Recipe Page (10 hours)
- Create tests for Recipe Page (2 hours)
- Create a cohesive design for Recipe page (1 hour)
- Connect Recipe Page to Planner Page (3 hours)
- Incorporate a PDF generator so user can access the page without accessing the website (2 hours)

Total: 18 hours

Team Roles :

Thomas Fujimoto - PO,

Vivan - Scrum Master

Michael - Scrum Master

Waseim- Developer

Reshma- Developer

Ryan- Developer

Initial Task Assignments :

Thomas Fujimoto - As a user interested in using Prep N' Plate, I want to be able to access grocery lists for all my dishes any time, Connect the backend and frontend for the Grocery Page (10 hours)

Vivan - As a user interested in using Prep N' Plate, I want to be able to access recipe lists for all my dishes any time, Connect the backend and frontend for the Recipe Page (10 hours)

Michael - As a user interested in using Prep N' Plate, I want to be able to access recipe lists for all my dishes any time, Incorporate a PDF generator so user can access the page without accessing the website (2 hours)

Waseim- As a user interested in using Prep N' Plate, I want to be able to access recipe lists for all my dishes any time, Connect the backend and frontend for the Recipe Page (10 hours)
