Sprint #1 Report
Product Name: Prep N' Plate
Team Name: Prep N' Plate Team
Date: 1/30/2024

Actions to stop doing: Team should reschedule TA meetings as some cannot make the initial time. Team should stop being more laid back about meeting deadlines, and be more assertive that they are met.

Actions to start doing: Team has decided to mandate meetings where everyone must be specific in what they have done so far, and give proof with demos. Team should meet more in the late evenings rather than early mornings, as we realized that we do more work at night and come across more challenges then also.

Actions to keep doing: Team should continue holding synchronous work sessions as we have found that productivity highly increases in them.
